

## **Friends of Royston and District Healthcare**

### **Criteria For Approval of Grant Applications**

- Friends role is to supplement the service provided by the NHS and other agencies for the health welfare and comfort of the sick in the local area by providing equipment, training and support to the sick and their carers.
- Applications for support will be accepted from any source, not just health professionals
- Applications must fit the Charity objectives
- Support should not be for the financial benefit of a commercial business
- Friends will not commit to any ongoing financial obligation
- Friends will not retain ownership of any equipment or undertake any activity which could leave them exposed to a future liability
- Friends should not be an easy route to funding where other alternatives exist
- Applications should be made to either
